

## **Sutton Neighbourhood Plan**

### **Green Infrastructure Plan**

*green spaces, public access, biodiversity, heritage and landscape*

Your final opportunity to identify and prioritise aspirations for enhancing access routes, green spaces, heritage, habitats and landscape in Sutton parish.

The Green Infrastructure Plan will inform binding policies in the emerging Sutton Neighbourhood Plan.

***Please come along, whether you have attended the previous sessions or not.***

### **Green Infrastructure Plan Final Workshop**

**Tuesday 26th March 2019**

**7.30pm to 9.30pm**

**Sutton Village Hall**

## General Questionnaire

**Closes Sunday 31st March 2019**

Our General Questionnaire is now underway. In order to get as many views as possible, we are asking that every individual who lives in Sutton parish complete their own questionnaire.

Copies of the questionnaire can be obtained by emailing us (details below) or by speaking to a member of the Committee.

The questionnaire, along with various maps, is also available to complete online at: [www.suttonneighbourhoodplan.uk](http://www.suttonneighbourhoodplan.uk)

## Housing Needs Survey

Our Housing Needs Survey is now closed. We received 48 responses, a return rate of around 39%. This is a really good response rate for a housing needs survey (typical return rate is 20-25%). A big thank you to those of you who responded.

## What Next?

Once this phase of evidence gathering has closed, it will take us some time to process and analyse all of the results, to plan the next steps and start to draft our neighbourhood plan. Things may appear to go a bit quiet whilst we do this.

We will provide updates on our web site and Facebook page, as well as at the Flower Festival (29th & 30th June 2019).

## Please Stay In Touch
